# 1. Routing

Leave the A55 at junction 9. (A487 – Bangor & Caernarfon)

At the first roundabout follow the A487 towards Caernarfon

After 1km – at the roundabout, take the 2<sup>nd</sup> exit to the B4547 signed to Y Felinheli

After 2.2km on the B4547  
turn right into Snowden

This is important

Please DO NOT USE the south entrance to Beach Road.

This will clog up the slipway.

**NOTE: Do not use the entrance to Beach Road from Caernarfon Road**

## 2. Where to park and prep the boats

## 3. Arrangements for Launching

### We will launch boats on the Saturday and the Sunday

Saturday will be for a dive (Weather permitting) Each boat is responsible for their own dive plans. Sunday, of course, is the main Boat Run day.

**Either day, please arrive on Beach Road between 8.30am and 10.30am**

Launch order will be set by where you are in the queue on Beach Road. First come, first launched.

Bear in mind launching on both days will take us well over an hour so it is likely there will be significant wait before you launch. Please be

patient and make sure your boat is prepped and ready to launch before you go on the slipway. Our marshals will call boats forward as soon as the slipway is available for launch.

#### **4. BBQ & Camping Location**

The BBQ on Saturday evening is being held at Canolfan Dinas Holiday Bunkhouse, Glamping Pods and Camping site detailed below. Parking is very limited.
